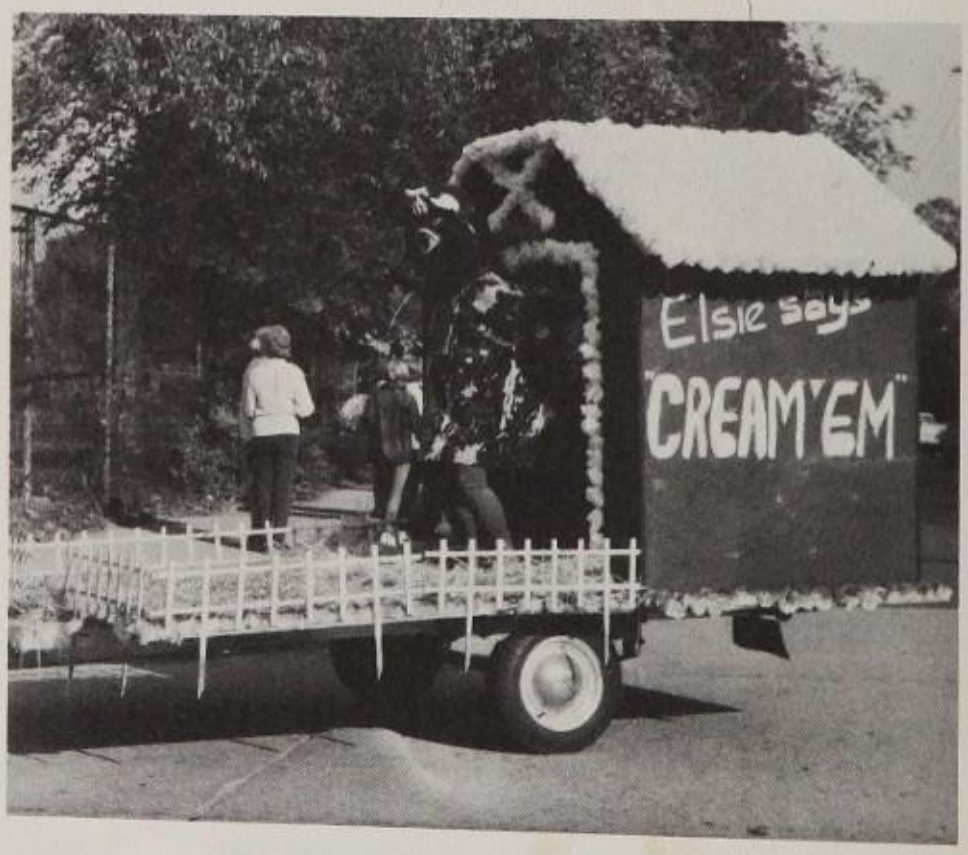
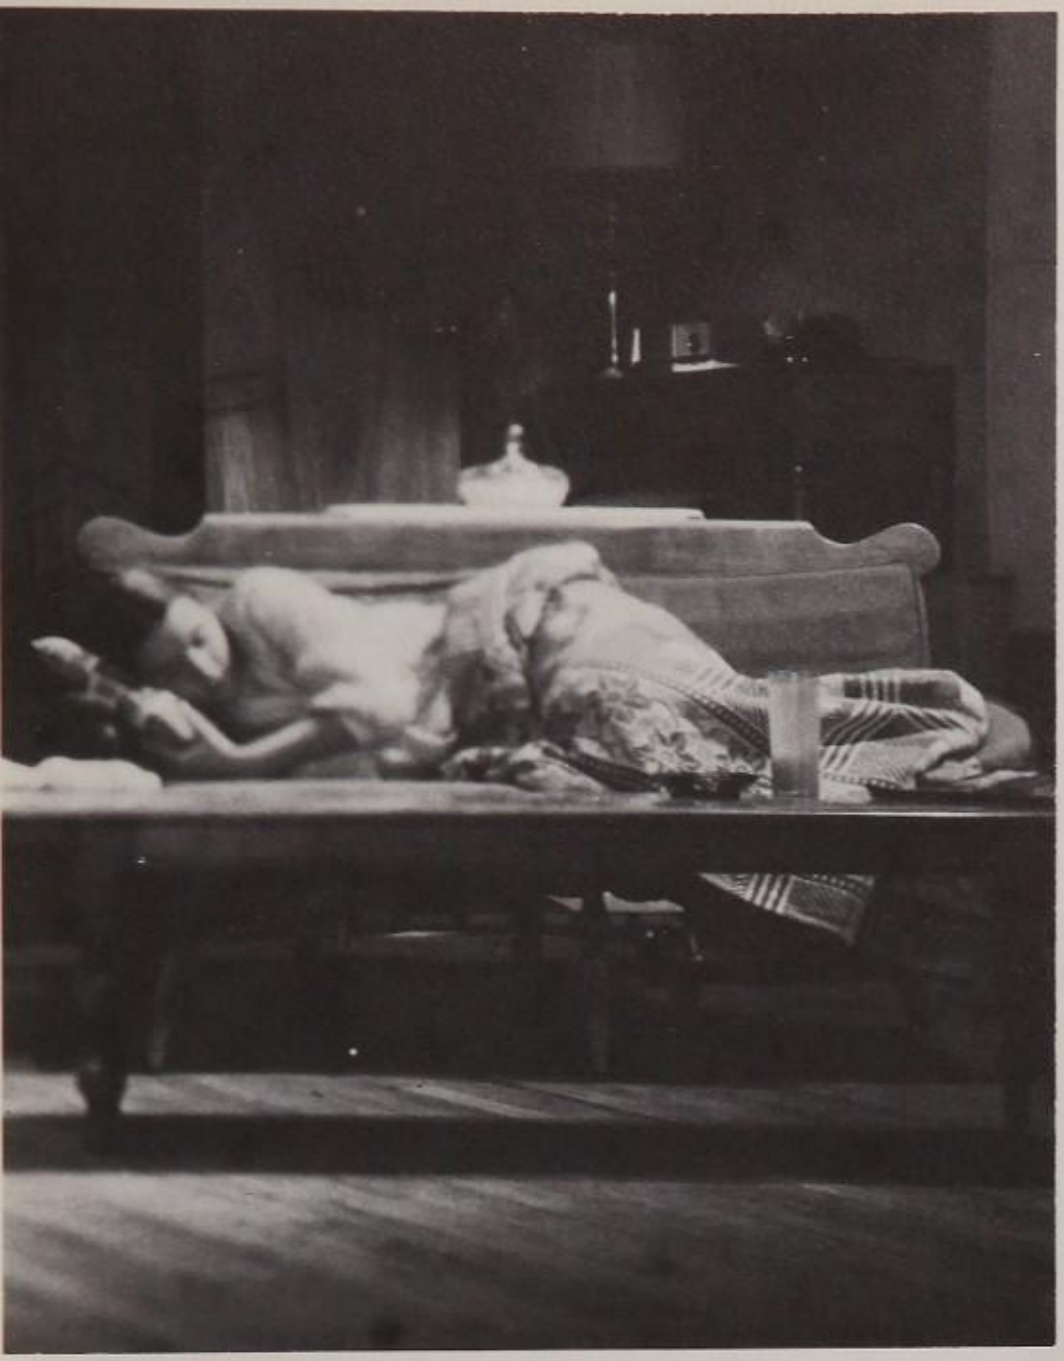
Homecoming '71

Homecoming '71 began with Redford Week, October 11 to October 15. Monday was button day; Tuesday, dress up day; Wednesday, hat and tie day; Thursday, pep rally day. The highlight of the week was Friday, Homecoming Day.

This year's parade was led by the Redford Marching Band. The first place float was "Mr. Waha," made by members of the 12A class. The Huskies played a very tough game with Mackenzie and lost by a slim margin of eight to six. The Homecoming dance at the Royalty House ended the busy week. Homecoming Queen, Jinny Boos, was crowned by last year's queen, Jenny Paver.



Above: "Why did she do it? Why?" *Upper Left:* "Now no one will ever know what really happened." *Upper Center:* Christine Penmark (Margot Grenon) reads a bedtime story to Rhoda (Linda Whan). *Upper Right:* "I heard the shoes come rattlin' down the incinerator." *Right:* "Everyone loves Rhoda; she's so sweet." *Far Right:* "That's simply horrible."



A Step Toward Serious Drama

Together with last Spring's musical, *Greasepaint, Bad Seed* represents a major step toward serious drama here at Redford. *Bad Seed* is the sometimes melodramatic story of a mother who attempts to cope with the discovery that her eight year old daughter is a murderess.

The *Best Performance Award* went to Margot Grenon and the *Guys and Dolls Award* was presented to Linda Whan. Laura Fox and Margaret Goldberg won the *Behind the Scenes Awards*. All of the cast showed great acting ability and the awards were well deserved.

The other members of the cast were Dwight Collins, Harold Downs, Scott Gardner, Joy Gatzka, Stuart Grigg, Bryan Headly, Mike MacRae, Todd Morningstar, Priscilla Olsen, and Sue Williams.

Glimpse of Past, Toast to Future

Graduation ceremony was topped with a luncheon filled with food, fun, and entertainment. Senior Class President, Tim Hicks, gave the welcoming address.

Toasters, Terry Landers, Russ Bender, and Bud Beck were introduced by Ray Dong, Master of Ceremonies. Mr. Rosenau gave a farewell speech to the graduating seniors. Entertainment provided by students rounded out the afternoon.

RHS Honor Society Commends Excellence

This semester the National Honor Society sponsored a tea instead of their usual breakfast. The tea honored those who had attained the high standard of scholastic excellence required by the organization .

The most important function of the tea was the election of officers for the spring semester. The new officers are Katy Sanker, President; Dwight Collins, Vice President; and Nichole Gummerus, Secretary. The outgoing officers were Stuart Grigg, President; Sue DiMaggio, Vice President; and Margot Grenon, Secretary.

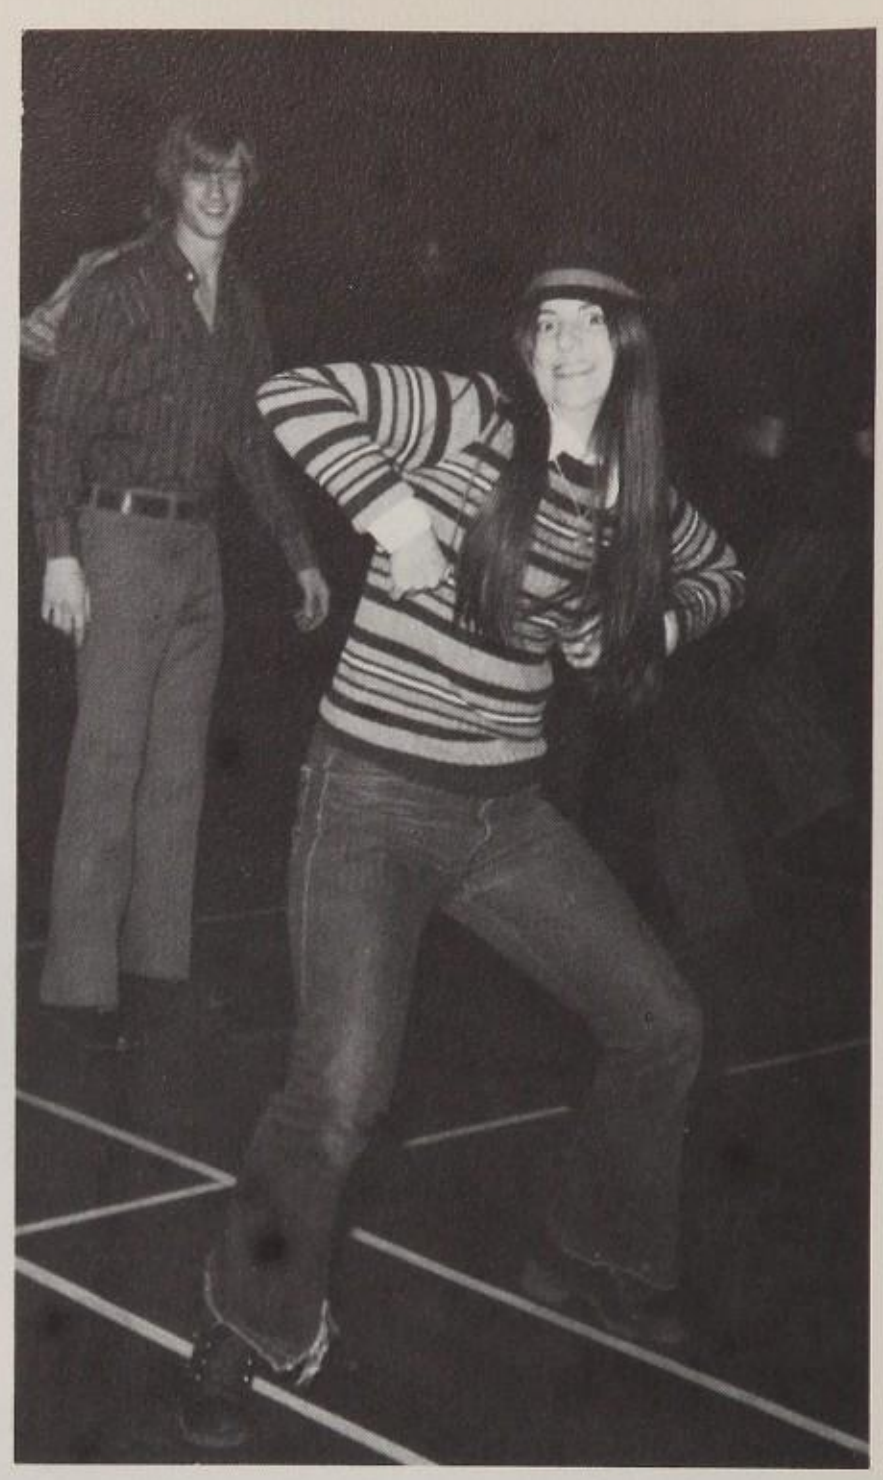
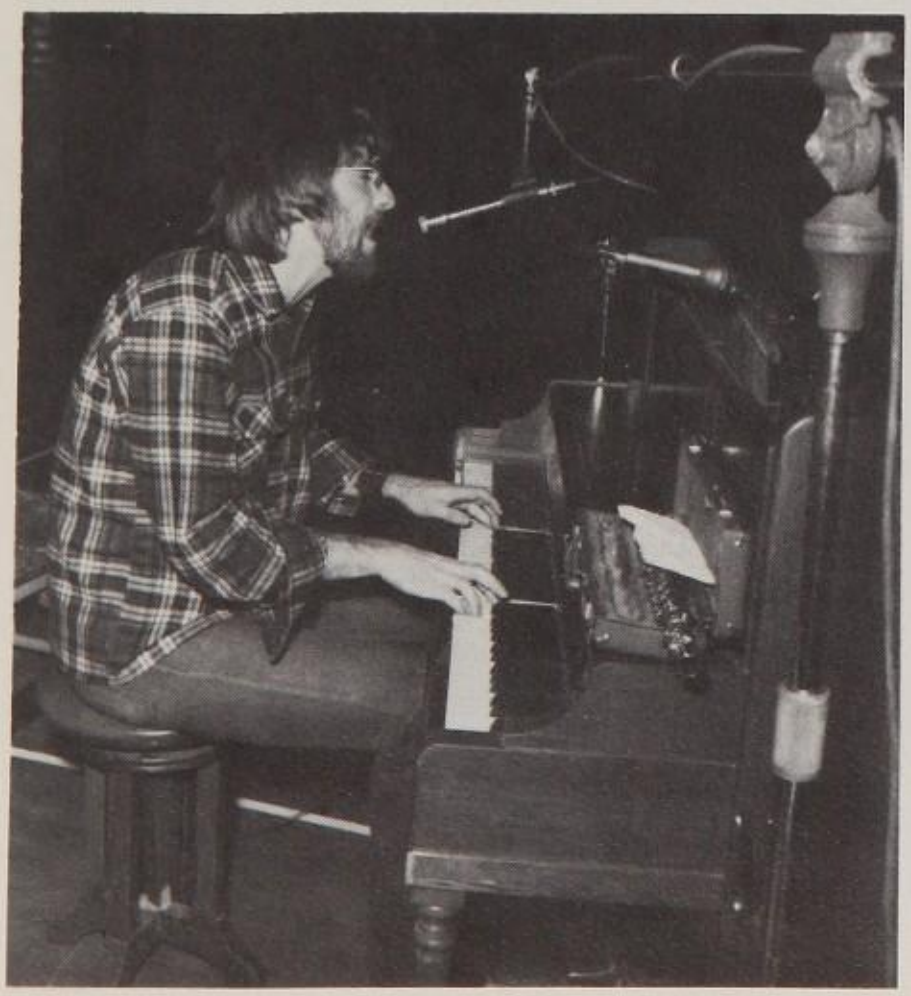
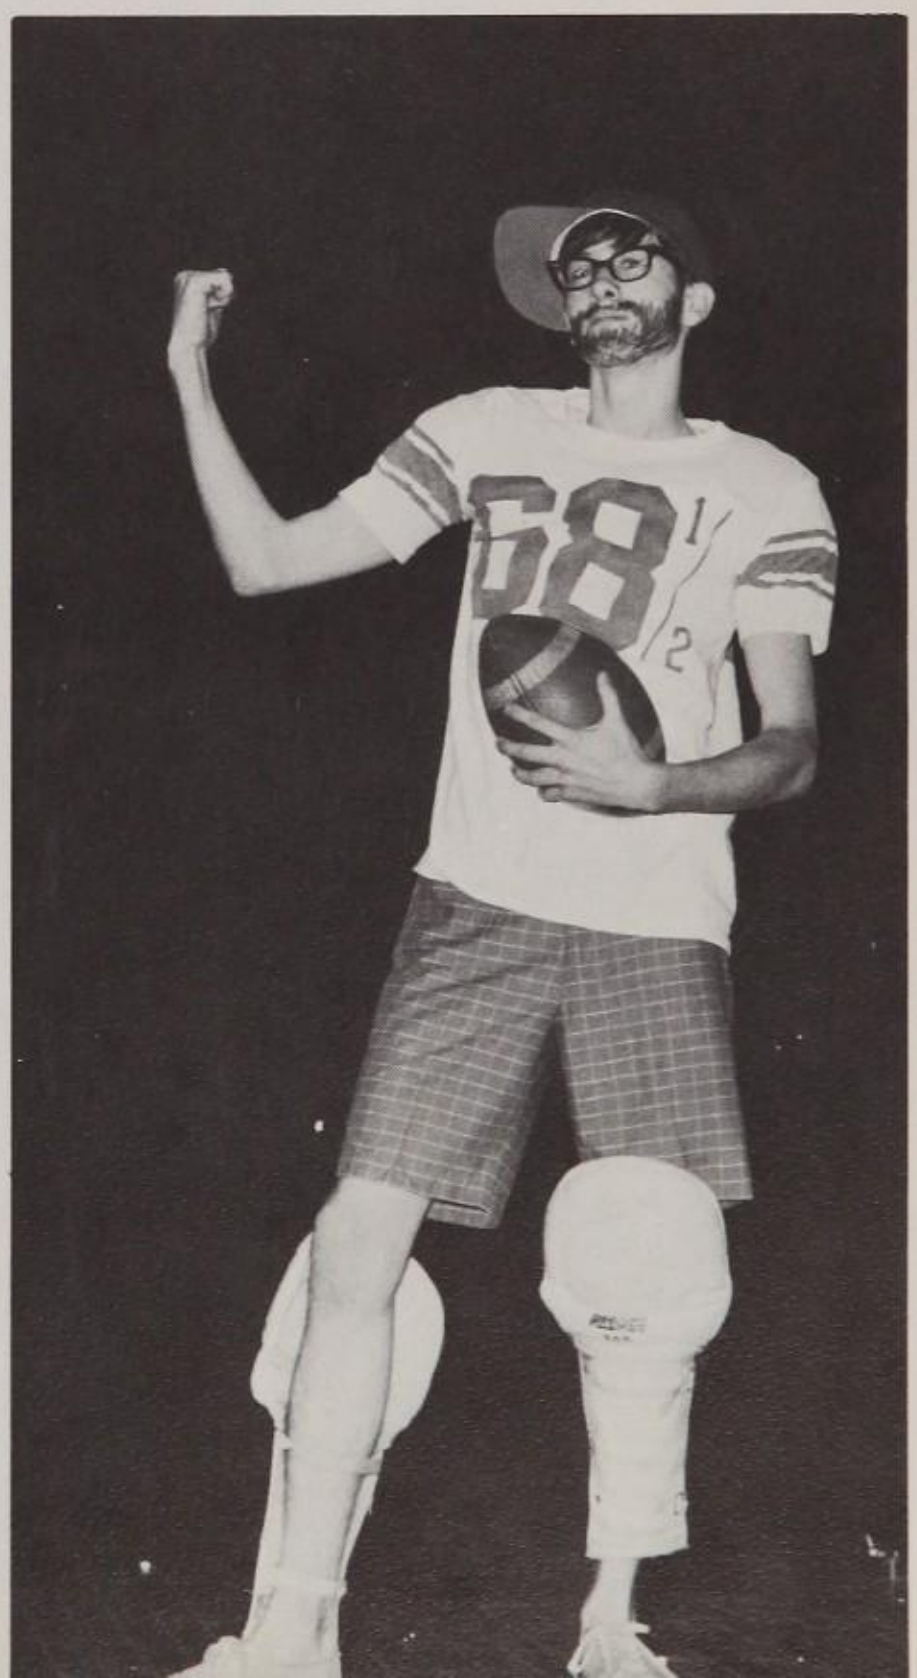
Fields flick. *Lower Left:* Dave Alexander, formerly of the Frigid Pink, creates the atmosphere with his opening song. *Upper Right:* Jean Phillips tunes in to the Senior Mixer. *Lower Right:* Members of the "Big Spenders" skit enjoy the performance of Geyda from Ypsilanti.





Class Day Ends Memorable Year

The January Class Day, under the direction of John Goodwin, proved to be one of the best ever at Redford. A full armament of insults were thrown at the class during the reading of the will, with selected individuals receiving more than their share.



January Commencement

Commencement ceremonies were held January 26th at the Stevenson Building. The invocation was given by Dr. Carl Howie, pastor of Westminster Church. Speakers were Margaret Childress, Joy Gatzka, Stuart Grigg, and Sharon Shannon. Mr. Rosenau presented the graduates' diplomas.

Glittering snow filled the air when the Seniors were escorted to the Birmingham Community House for their January Prom. Music by "The Rumor" and flower favors added to the evening. As the excitement drew to a close, many final farewells were unknowingly made.

Skiers Schuss to Canada

Thirty-four students, accompanied by Mr. McGruder, Mr. Madej, and chaperone, Mrs. Barbara Dalrymple, left Detroit in the direction of Blue Mountain near Collingwood, Ontario for the annual Redford American Youth Hostel ski trip.

They spent four invigorating days during the Christmas holiday, slipping and sliding on the ice which decorated Blue Mountain's flanks. Retiring to the lodge only on the point of exhaustion, they would swallow a cup of hot Canadian chocolate and plunge once more into the deep freeze. Remarkably, they still possessed the stamina to pursue an active social life in the evenings.

RHS Band Plans Trip To International Festival

Redford High School's Band was honored with an invitation to participate in the International Band Festival which will take place in Vienna, Austria, during July, 1972. Mr. Gene Fenby, Fine Arts Director, and Mr. Gerald Byrnes, Band Director, are proud of this invitation because less than two per-cent of all the high schools in the United States were considered by the Festival Invitation Committee. The Committee invited bands from over 50 countries in the free world.

While in Vienna, our band plans to join the other Festival bands to present open air concerts, march in parades, compete for Festival awards and scholarship funds, and create a bridge of international understanding through the use of music.

Big Red Huskies Put It Together

This year's Redford Huskies, led by Coach Kincannon, had another successful season finishing a close second in the Northwest division. With only 10 returning seniors, our team accumulated a division record of 4-1 and an overall season record of 5-2-1.

Next year our team anticipates a bigger and better season. The 25 returning players should give the team the needed experience that will help them capture the West Side Championship.

Reserve Football

The Junior Varsity Football team had a very successful season. They crushed all but two of their opposing teams and accumulated 150 points. Their adversaries only totalled 28 points. A slow start was vastly improved as the team became a unified squad. We are all looking forward to seeing them repeat their outstanding performance next year on the Varsity Football team.

John Grochocki is just one of the numerous tenth graders who promise to lead the team through another victorious season next year.

Redford Swimmers Lead City Meet

The Redford Boys' Swim Team regained their position of City Champs this year after a three year lapse. They also won the West Side and Dual Meet Championships. The "Young Team," as they were called because of the abundance of ninth and tenth graders, proved just how dynamic they were by winning not only every league meet but also every event in every meet.

The team's only defeat was in a non-league meet with Catholic Central. The loss was avenged later in the season when Redford came out the victor.

The team, led by outstanding swimmers Mark Makkonen, Ron Lollie, and Tim O'Neill, was coached by Andy Kincannon. The team spirit and enthusiasm were as outstanding as their record.

Golf Team Has Great Season

Once again the boy's golf team continued the Redford tradition of displaying excellent athletic ability. After long hours of practice, and ten wins in a row, the team hoped for the Westside Championship. One loss to Henry Ford, however, secured a close second place for Redford. They finished the year 4th in the City Tournament. The returning players hope for a successful season next year.

RHS Field Hockey

The Girl's Varsity Field Hockey team completed a very successful 1971 season. They crushed four of their opponents and lost only two very close games against Osborn and Henry Ford. Although it would be impossible to record the enthusiasm and good sportsmanship displayed by these girls, they would truly be ranked number one.

Girls' Swim Team Earns City Title

Once again the girls' swim team lived up to its winning tradition. Finishing first in the West Side for the third consecutive year, our team went undefeated in its regular meets. For the second year in a row, the girls clinched the city title.

Although it was a fairly new team, the fine coaching of Diane Pomish and assistant coach, Mark Makkonen, led these girls to victory. Long hours of dedicated practice resulted in a perfect season.

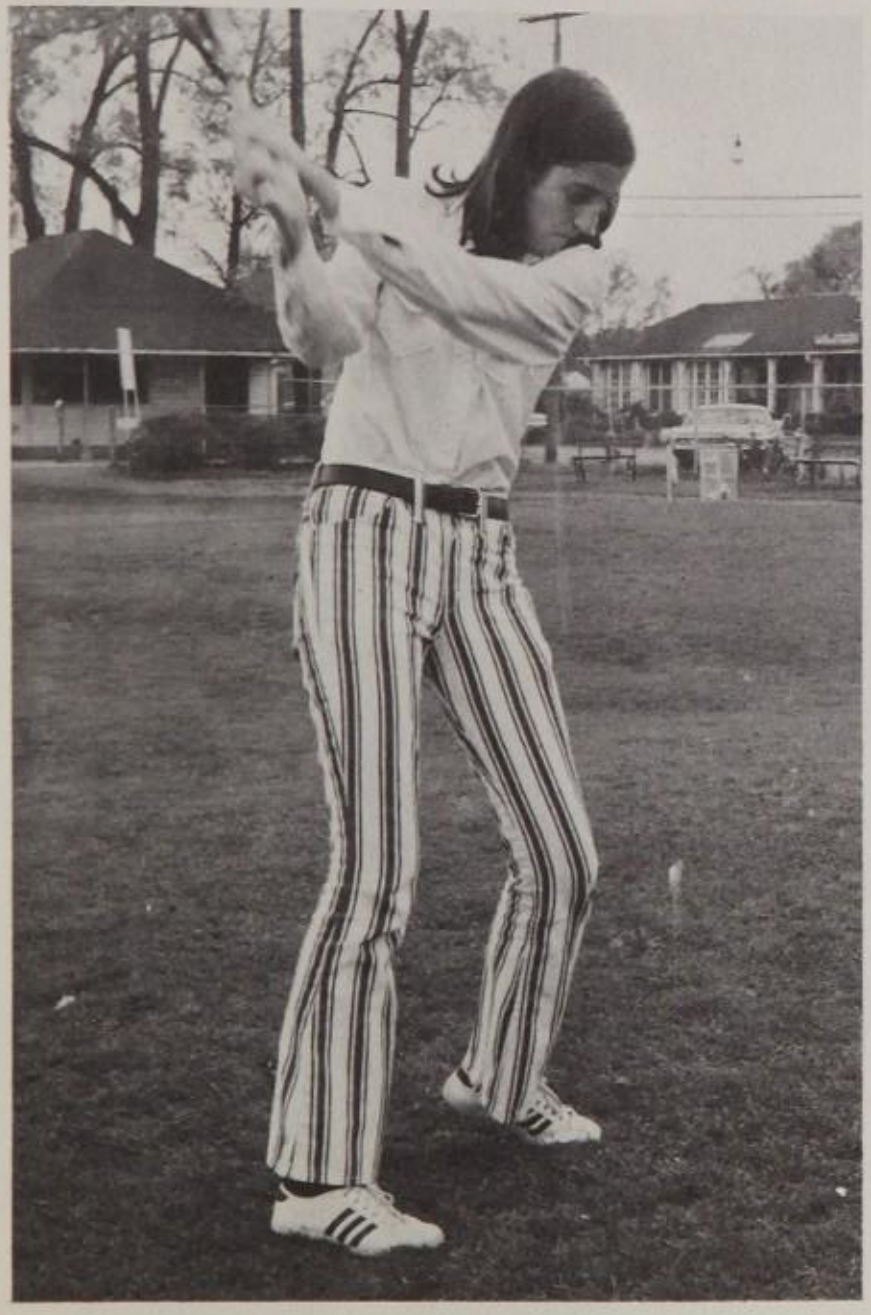
All-City Golfer Sets the Pace

Although there were not enough girls to qualify as a team, these three girls put forth the effort and completed the season on an individual basis. The year of experience did not go unrewarded because the girls learned to play with competition. The hopes are that next year Redford will have a qualifying team.



Upper Left: The participants on the Girls' Golf Team this year were from left to right, Colleen Reilly, Nancy Evans, All-City; Mrs. Nancy Jewett, Coach; and Karen Edwards. *Lower Left:* Nancy Evans qualified for the All-City team and was ranked third in the city. UNDERCLASS

The Underclass . . . Redford's Future

In the past, many underclassmen have been of the opinion that they are looked down upon and exploited by the upperclassmen. They believe that this is due to the vast conceit, snobbishness, and prejudicial traits. The fact is they are irrevocably correct.

This does not deter, however, the two warring factions from an occasional acquiescent period of fellowship. Under certain unexplainable conditions, they have even been known to eat the same food in the lunchroom at the same table. No matter how you look at it my friends, this is progress . . .

Self-Expression In Modern Dance

Many girls find that the modern dance classes offer much in the way of self-expression, aside from good exercise. The dance instructor, Mrs. Jewett, takes a keen interest in what the students communicate through their dancing. She enjoys seeing their progress as they continue from the beginners combination dance-and-swim class, to the modern dance class, and finally, to Dance Composition.

Speech and Drama Display Enthusiasm

Among the many courses offered at Redford are speech and drama. In these classes, students learn the art of linguistics and effective public presentation. These courses also help develop the creativity and poise of the students. Some of the projects of these classes are pantomimes, oral interpretations, and debates. Many of the students from these courses go on to take part in other school sponsored dramatic activities.

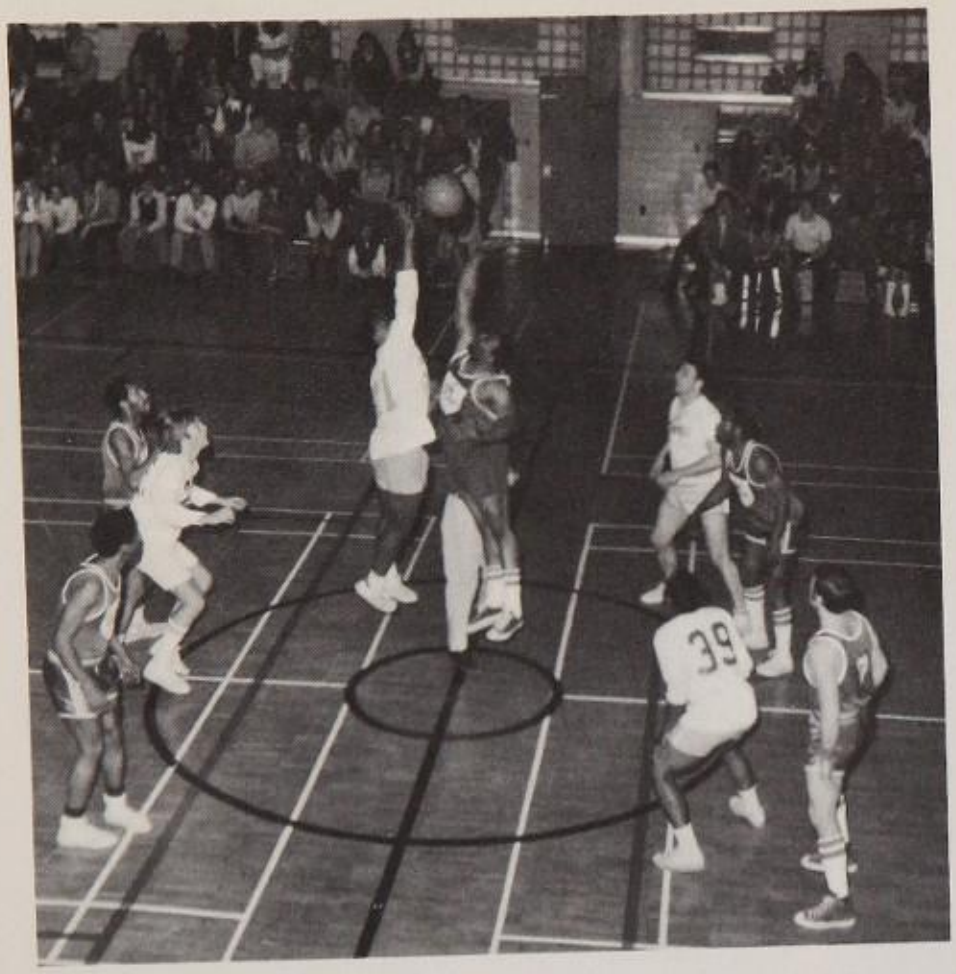
Faculty-Fuzz Game Aids Vienna Fund



To raise funds for the upcoming Redford Vienna Band Tour, the faculty took on the policemen from the 16th precinct in a benefit basketball game. The stage band provided the time-out entertainment for an appreciative crowd, while the players took their deserved rests.

The high-scoring affair was ultimately won by the Fuzz, but only by a six point margin. High scorer for the Redford faculty were Joe Clinton, with 27 points, and George Ginger, with 25 points. Our courageous teachers played a surprisingly good game and certainly deserve an "A" for effort.

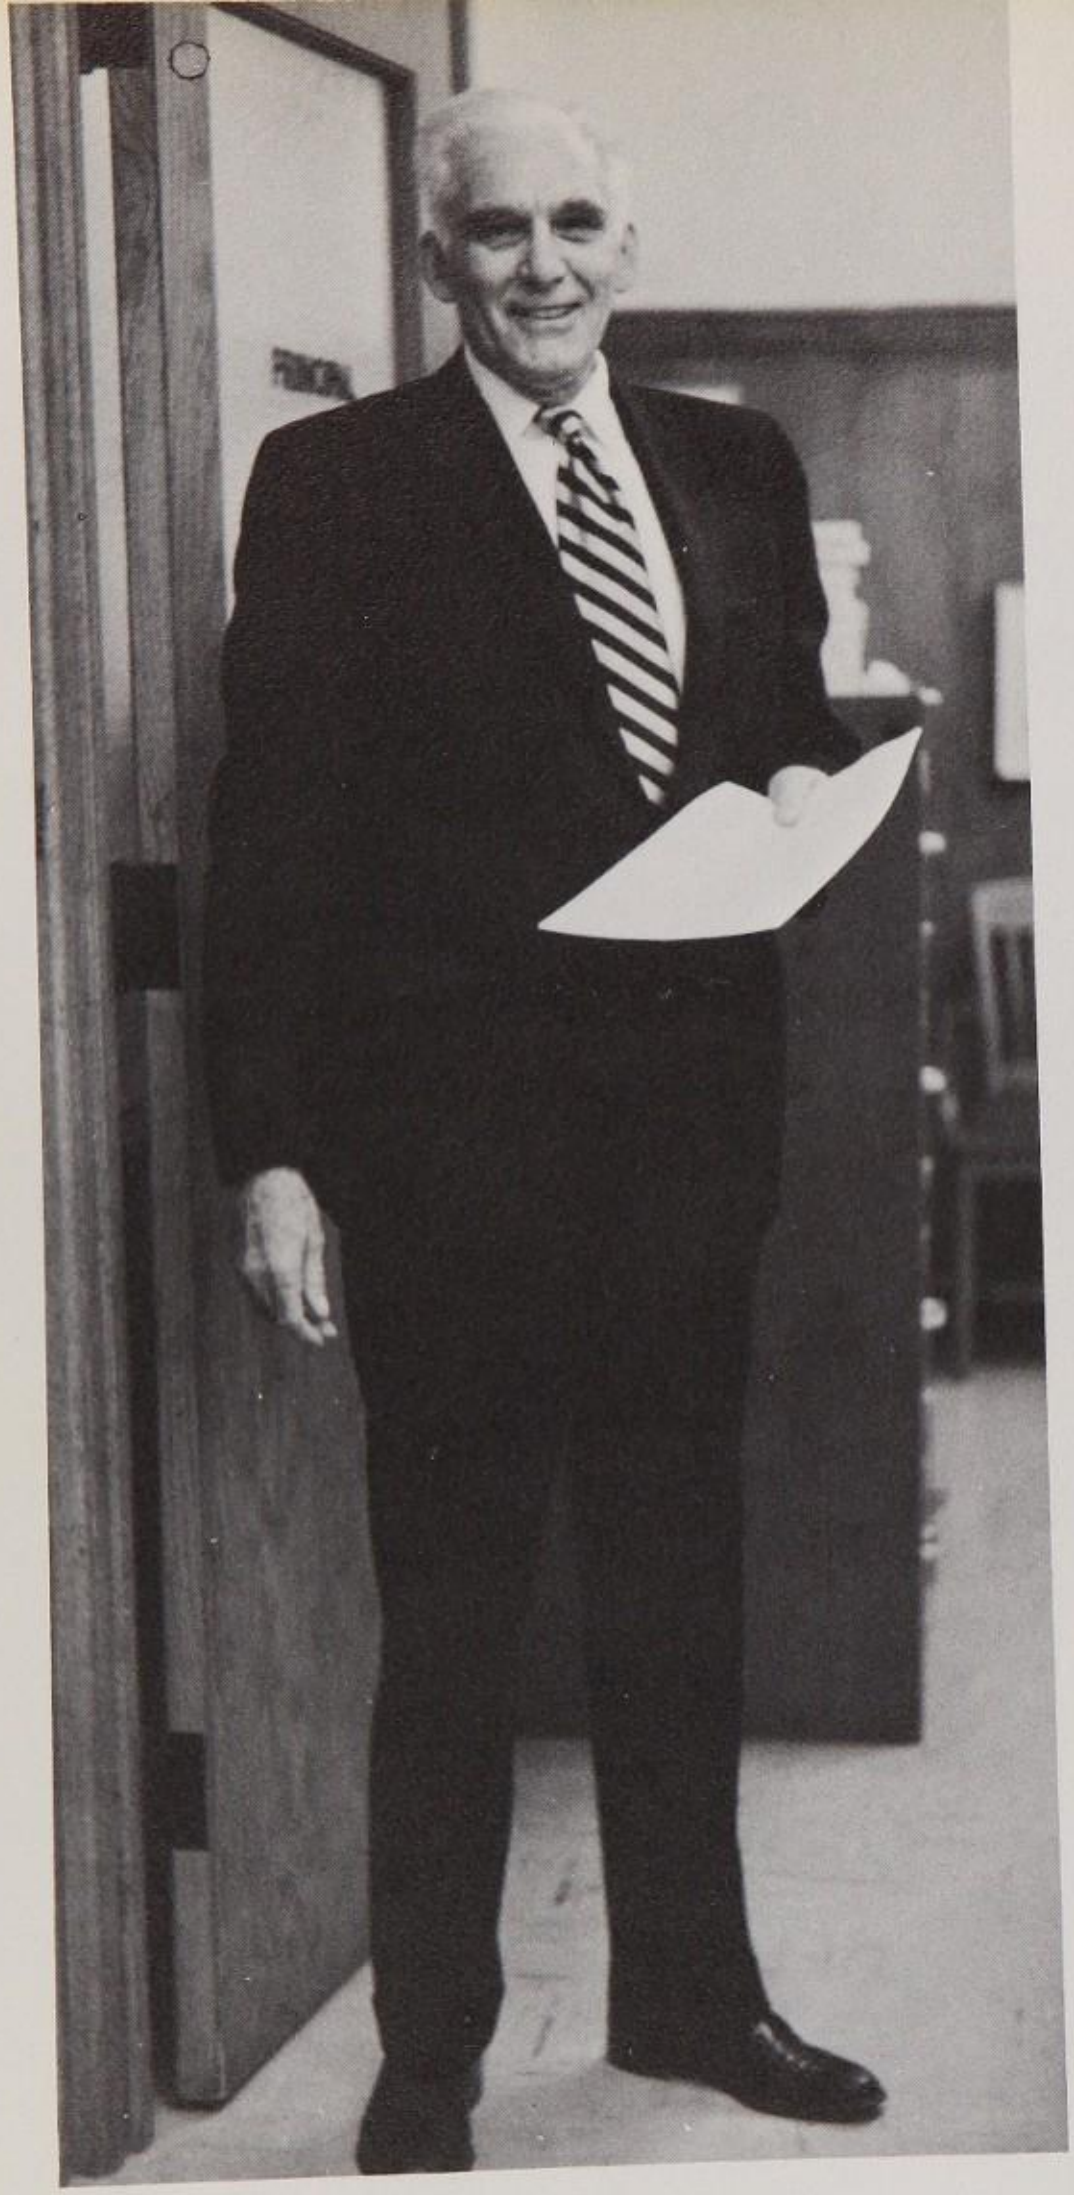
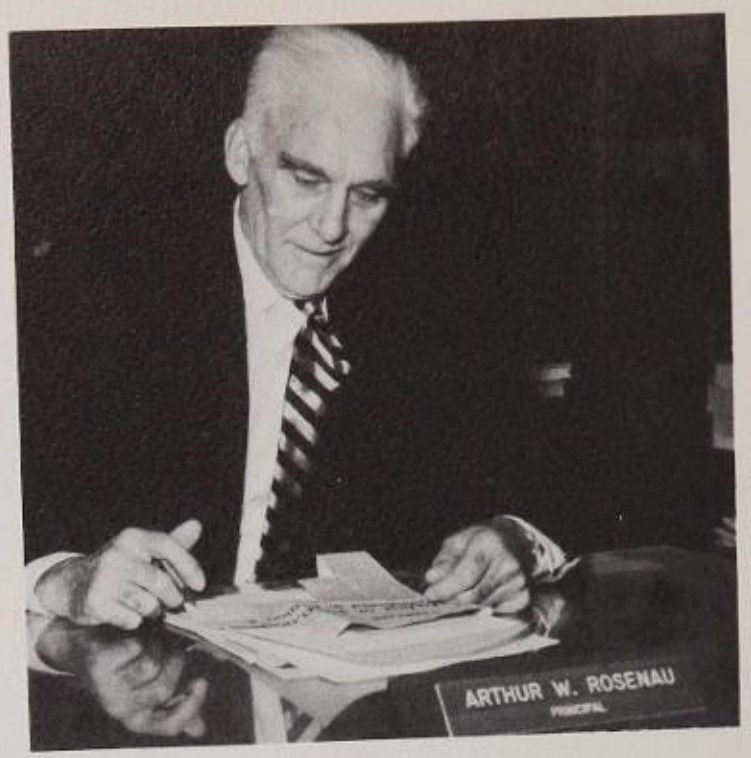
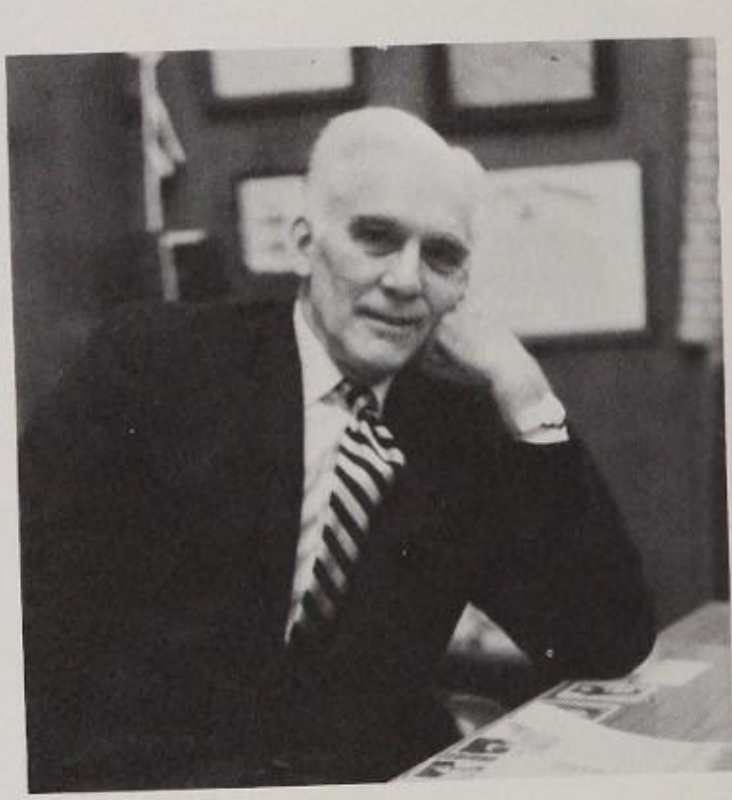
FACULTY







1972 — a significant year for young Americans reaching 18 years of age. Nationwide they participate for the first time in all elections. Statewide they have attained their majority and may exercise all the rights thereof — and assume all the responsibilities.

Your teachers and I welcome you into the fabric of American political life and hope your enthusiasm and idealism will rejuvenate our honored tradition of "liberty and justice for all."

Dedication to School Distinguishes Faculty

After many dedicated years of service, three members of the Redford faculty are retiring: Mrs. Marjorie Brenner of the Social Studies Dept., Mrs. Irene Clark of the Business Dept., and Mr. Leonard Larson of the Vocational Dept. We are grateful for their valuable contributions in many years of teaching, and will retain fond memories of them.

The students and faculty hold special memories of Mrs. Mildred Deason who died suddenly this year. Mrs. Deason, a teacher of Social Studies, sponsored the Senior Class and its activities for a number of years. Her service and dedication will be remembered and praised by those who came in contact with her.

40 Forty Years of Customer Service

Customer satisfaction . . .

While customer relations may seem like a new innovation in the industry, it is not new at Emmert Chevrolet. Since the day our doors were first opened in 1932, we have constantly strived to provide customer satisfaction after the sale. We have experienced depressions, recessions, wars, prosperity and inflation during these 40 years, but our goal of customer satisfaction has always been constant.

Come in! Our record speaks for itself.
